ALL PURPOSE CLEANER and DEGREASER
#1-068

This is a heavy duty degreaser formulated to clean in a wide range of both industrial and commercial settings. It has a concentrated, water-based formula that is biodegradeable and safely cleans in the toughest environments.

**Suggested Uses:**
Industrial: Parts, pipe threads, printing ink, oil, tools, machinery, cutting fluid, and polishing compounds.

Automotive: Engines, parts, chrome, exterior body wash, vinyl tops, road tar, and bugs.

Household: kitchen countertops, walls, appliances.

**Packaging:**
- UPC Code: 043281004688
- Cans per case: 4
- Container: 1 GALLON CAN (3.8 LITERS)
- Shipping Classification: ORM-D, UN 1814
- Hazard Class: 8

**Properties:**
- Flammability: Non-Flammable
- Flash point: None
- Solids Content: 26%
- VOC content: 36 g/l
- Storage Temperature: 40-100F
- Application Temperature: 40-100F
- Adhesion: Excellent
- Active Ingredient: Potassium Hydroxide
- Density: 8.8 pounds per gallon
- Shelf life: Guaranteed for 2 years
- Odor: Mild Citrus
